A Teacher's thought:

Please remember although our children are small, and by our sides, we may not see them but be aware, they hear everything we say.

Children believe what they hear us say... and we as parents and teachers are here to advocate for our children's wellbeing and self esteem.

Welcome to Suz Bird who has joined our teaching team.

Suz has spent the last couple of years working as a teacher in Brunei and previously lived and worked as a teacher in the Hawkes Bay.

Hopefully you have all had the chance to read our new food policy and that we now allow eggs at our Centre. Please let us know if you do not want your child to have baking or food that contains eggs.

Haere Mai:

We welcome some new children and some new families to Country Kidz.

Snow Trip

We have planned a trip to the snow on Wednesday 26th August for our 4 year olds. We will require parent help, so if you are able to lend a hand please let us know.

Permission slips will be sent out this week.

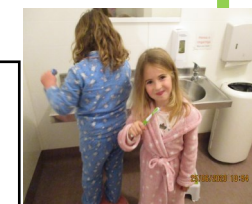

Thank you to:

- * Cyn Smith for the donation of dressing up clothes and dolls.
- * Anton Stockman for blocking off the raised window in the office to help keep the heat in.
- * Sam Dudley for building our new recycling area in the Kai room.

Up coming events

- * 19th August our annual disco
- * 26th August snow trip, weather depending.
- * 28th August Hangi fundraiser
- * 30th August SARNDRA'S BIRTHDAY
- * 1st September dress up day
- * 14th September Te Reo week

We were joined by 12 excited 4 year old children who stayed with us for the night to celebrate "Matariki" (Maori new year). Although it was a very wet night we still had a lot of fun around the fire and then watched movies with popcorn of course.

We have noticed a lot of our children are bringing in toys from home. We ask parents to remember we would prefer their children keep their toys at home or in the car as we have plenty of variety and toys available here. This prevents disagreements happening when asked to share their toys.

At Country Kidz we believe that good food gives our kids the best start in life. We strongly encourage parents to provide simple, nutritious food such as fruit, vegetables, sandwiches, yoghurt, muffins (nut free of course) crackers, cheese.
